When I have your cock in my mouth, I want you to fuck my face. Shove your cock down my throat like you mean it. Like it's the last mouth you'll ever fuck. Then shoot that delicious man-goo into me and I'll swish it around and gargle with it while you try to figure out what I'm going to do with it. What am I going to do with it?

I'd put you down on your back, then I'd slide down your hard cock inch by inch until I take it all in. I'll hold there while my tongue goes to work on your balls. I'll come back up licking every inch of it and then nip and bite it until you beg me to stop, and even then I don't know if I will. I'll spread your legs open and pull your balls into my mouth. First one – then the other while I'm stroking you to cum.

Being in Las Vegas can get awfully hot. I'm waiting for my friend, Dwayne to come over so we can cool off... He's here now and we're just going to hang out a little first. He takes off my dress and pulls my panties aside to lick my pussy. He knows just what I like because we've been doing this for years.

When I know that he's coming over, I know exactly what turns him on. I'll smell special just for him because he knows I'll be sucking and fucking him for hours.

To The Editor,

As we get older, we look for new and different ways to make married life more exciting, more pleasurable. My beautiful wife, Senna, and I have been married for more than twenty five years. We're both in our fifties and over the years have probably tried it all. Swinging, swapping, three-ways, some bondage, anal and even had sex (albeit short) on the Great Wall of China.

One of the newer things we've decided to try is voyeurism. We like to watch each other masturbate and almost always that leads to a full blown sex session. I must admit, I like watching her do it than to have her watch me, but we found that low candlelight makes me look better. Anyway, last night was one of her nights. I watched as Senna took some time to make herself feel good. Sliding her fingers through her long hair, she gradually works her fingers down her body with light touches that must feel amazing.

Dear 50+,

Oh thank you, thank you, thank you. Finally boobs I can adore. What a great chest on Rachel. I love petite women with big natural chests, make that huge chests. Rachel's were a real turn on for me, because I can just imagine stuffing my cock between them and giving them a good fuck. Then she can mouth my cock while I'm doing it. And the variety of poses of her getting fucked was just outstanding. I also loved the pictorial with Sara Jay in a very sexy three-way. I wish I was a fly on the wall for that shoot. Of course I love her boobs, but the action was so hot in that pictorial, I had to get online and check out the live action. Man, was that hot too. I ended up really getting myself off thanks to them, your magazine and the movie.

— John C., Detroit

When she gets to the neckline of her robe, she peels the panels covering her full breasts down enough to expose first one, and then the other. Her nipples harden as she makes circles around her areolas and then pinches the stiff buds before dropping the robe to her waist before coming off.

Senna looks over at me rubbing myself in the dark and takes her time removing her panties. Her hands roam her slender body as she shows me how much she enjoys the smoothness of her satiny skin before cupping her luscious ass. Then starting a slow, intimate massage, I watch as her fingertips just brush the edges of her cleanly shaved glistening pussy.

Her touch grows bolder as her long fingers find her mons and then down to her sweet slit as she begins moaning aloud as those familiar sensations begins to build. Soon, she touches her breasts while she masturbates and it drives her to stand up and massage one full boob while she continues

to stroke her pussy and clit with knowing wet fingers.

As Senna edges closer to her climax, she slides down onto her chair and parts her long legs as wide as she can so that she can insert two fingers deep into her tight hole while she works her tender clit with the other hand. I can tell by her face that the penetration feels incredible and soon drives her to the soaring heights of a long climax.

As her body gradually cools down, Senna finishes off her intimate moment by sucking her essence from her fingers and then, looking at me, licking her lips with a sultry smile of satisfaction. I go over to the chair and offer my rigid cock for her to finish me off, too. Nice.

Christopher, Savannah

50+ Editor,

I can't believe this has happened and I just have to get it off my chest. Maria came back into my life. She had aged a little, as have I, but she still looks as hot as she did back then. I knew when she came over what would happen, and I didn't really care. I knew that she would do as I said, just as she always had. She could

never resist seeing me, no matter what I was doing.

She knocked softly and I opened the door. By the

way out, then straight back down her throat. After dropping some pre-cum on her tongue, I stood her up and walked

in – balls deep. She knew that I never slowly fucked her ass. Maria knew she would be my anal nymph for the night.

time it had closed, we embraced, but only for a second. Maria stepped back, grinned and immediately dropped to her knees. This is how she greeted me years ago. She undid my belt, button and zipper and within seconds my cock was out of my pants and into her mouth. I was not hard going in, but her expert tongue and lips hardened me instantly. I pulled it out and without warning, pushed it all the way into the back of her throat.

She didn't gag, she just sucked it like a pro. I then began thrusting it deeper into her mouth, all the

her over to the couch. I leaned her over the overstuffed arm and lifted her skirt to reveal her beautifully round ass. I reached over and grabbed the lube from the side table drawer and squeezed some of the liquid onto her tightly puckered hole.

I rubbed the lube all over her backside. I squirted some more in my hand and started stroking my hard cock, looking at that beautiful asshole that I knew I would get to fuck. I placed my cock head at her back door and felt it slowly slide into her. Slowly I pushed it deep inside her until it was all the way

I pulled my cock all the way out and rammed it back in. Again, a low moan from her but this only made me pound her harder, her ass shaking up and down. She knew what I wanted, so she spread her cheeks for me to watch my thick cock stretch her tight little ass hole. My balls swelled with cum as I fucked her still bent over the arm of the sofa. I grab her slippery ass cheeks in my hand and squirt a huge load into her tightly stretched hole, collapsing on top of her as she contracted her anus to suck out all of my jizz. I pull out my slowly dwindling cock and ran

Dear 50+ magazine,

I work hard every day and when I get home at night I just want to sit, have dinner and watch the news. That often doesn't sit well with my wife who wants to go out for dinner or go to a movie. I tell her that I'm too tired for that and usually fall asleep by nine. But last night I came home and I

fingers up and down her body with one hand and patting the cushion next to her with the other.

I go over and give her a kiss and stand nearby taking off my suit jacket, tie and shoes. Then I climb onto the couch behind her and relieve her of her bra as I run my hands down her body and cup her large breasts in my big hands. I immediately put my mouth to good use, sucking Victoria's hardened nipples, and then giving her moist pussy and tightly puckered anus a good licking.

it's all about her pleasure as I pull out to briefly bury my face in the softness of her pussy before entering her again and resuming to fuck her pussy.

I feel constrained in my clothes, so I pull out, jump off the couch and undress myself. Naked in front of her, I pull her off the couch and I lay down on it and pull her back onto me so I can use my tongue to pleasure her ass hole and pussy. Victoria arches her back in pleasure as I make love to her with my mouth while my hands caress

Still, she wants a deeper penetration and climbs on top of me and spreads her legs as wide as she can, sinking down on my cock until she is fully impaled. She rides me eagerly, bouncing up and down and swirling her hips as she drives us both wild with desire. She knows that my favorite way to cum is when she takes me in her mouth. I whisper that I'm ready to cum and she raises off me and she doesn't hesitate to go down on my cock. Opening her mouth to its fullest, she deep throats me, works my cock and balls with her hands until I release ropes of milky cream all over her waiting open mouth and beautiful face. Then she cooks dinner.

As you all will see, I'm a no-holes barred kind of girl. Not only am I an exhibitionist, but I'm a bit of a thrill-seeker, too. My biggest thrill, however, is to push my sexual limits. And to have you watch me having sex is such a turn on that I cannot fully describe it.

Nicolet

The feel of a cock going into my mouth; feeling a cock in my pussy, or a large dick invading my tight little asshole, for me, there is no better feeling.

Big, thick cocks filling my every hole is like stuffing your mouth with chocolate candy. My pussy and butt hole are so sensitive that I can tell whose cock is inside me. They all have a certain feel, from the shape of the head to the length of it, to the width. I love them all. I'm sure yours would fit nicely somewhere inside me, too!

WHAT I THOUGHT WAS GOING TO BE A THREE-WAY TURNS INTO FOUR

I'm driving to a convention in Dallas from Houston where I'm to have dinner with a couple from the Dallas office before the convention starts tomorrow. But this meeting was to be about more than just work. Lola is the one from our company but I wasn't sure if she was really into it or not. I'd only met her new husband, Baker a couple of times. He's not bad looking with a pretty good body, and a quiet way about him. Over the phone, Lola and I had been talking about spicing up our sex lives at work for awhile now.

As we spoke, I got the feeling that Lola might have a crush on my man. I've told her that I am trying to convince him to swap with another couple. However, I told her I haven't talked to him about it yet. She told me that she and Baker had been looking to have a threesome for a while, but hadn't found the right woman yet. So after talking for several weeks, I decided that I might as well volunteer. So Lola and I made plans, we decided we would surprise Baker. So I drove to her house to wait for Baker to get off work. Lola and I sat around talking and drinking. Lola asked if I wanted to freshen up after the drive and change into

something more comfortable, but I told her I didn't plan to have it on long anyway. After I returned, she excused herself to go change and left me in the front

room by myself. Lola came back dressed in all black vinyl. A low cut corset that pushed up her boobs and a short skirt that laced and tied up the tight back.

Looking at her dressed like that made my pulse race and I knew tonight I'd be licking her pussy. Lola sat down on the couch next to me and asked me if I was sure about this. But before I could say anything, she kissed me. Kissing her was gentle and sweet, but it still sent a rush to my pussy and I could feel my panties getting wet. We kissed for a few minutes to put me at ease, but what it did was to get my juices flowing.

Several minutes later we hear a car pulling into the driveway. A minute later the front door opens and it's Baker – with another guy. Lola and I were a little shocked. There the two of us were all hot and bothered, when Baker brings this stranger in. I looked at Lola. The two men walk deeper into the room and Baker introduces his friend – Drake. Drake is a man about Baker's height and weight. Apparently, Baker

I ran my tongue over the head.*

figured if they were going to spice things up they should go ahead and live out Lola's fantasy of being with a another man. My mind was racing and my pussy aching as Lola had me going before the guys even showed up. It was clear everyone was looking at me to see if this was agreeable. I could see the lust in Lola's eyes as she looked at Drake and knew there was no backing out.

Without even thinking, I blurted out, "Why are you two still standing there." That made the moment even more awkward. I figured I had to do something since I opened my big mouth, so I pulled Lola to me, kissed her lips and put her hand in my crotch. This got the guys attention and they moved closer to us. Baker went up behind Lola pulling up her skirt to reveal her ass, telling Drake to look it over. Lola had slid my panties aside and slid her fingers into my moist pussy. She pulled her fingers out and put them in Baker's mouth, asking him if he liked the taste, and told him to start eating me out.

Baker gently pushed me back on the couch, spread my legs and began eating my pussy. Everything was spinning for me at this point and I came so fast that it surprised Baker. He

looked shocked as I squirted all over his face. I could tell Drake was very turned on watching us. Lola continued kissing me as she rubbed her pussy. Since I had cum already I figured it was time to help Lola, so I pushed Baker back from my crotch and leaned over Lola pushing her onto her back. Lola had her head hanging over the edge of the couch and I slide her skirt up and began rubbing her bare pussy through her silky panties. She was soaking wet and moaning like crazy that I knew she needed to get off. Baker had moved around toward Lola's head and was kiss-

ing her, but Drake was still just enjoying the show. I buried my head in Lola's crotch, slid her panties to the side and started sucking her swollen labia. Her hips started shaking and quivering as I continued eating her out.

Not content to watch us girls anymore, Baker took his cock out and put it in Lola's face, but she was having a hard time getting it in her mouth. From my angle Baker's cock looked huge. Lola's hips were thrusting up and down, and I knew she was going to cum soon. Drake had taken his cock out and was stroking it watching the three of us going at it. Drake then came over behind me, starting rubbing my pussy and slid a finger into it. Lola was cumming in my face as Drake leaned over me and grabbed my boobs. Baker's huge cock was now fully erected and Drake was rubbing the tip of his cock between my pussy lips teasing me with it. But Drake then stopped and went over to Lola and put his hard dick into her mouth. Lola

was still recovering from her orgasm but she started slurping on Drake's dick and huge balls.

I have to admit the sight of that big cock sliding into Lola's mouth was a huge turn on. Baker stood in front of me with

his cock right on front of my face and I took it in my mouth. I could taste the precum as I ran my tongue over the head. My pussy ached as I took Baker into my mouth gagging, but trying so hard to get it all in. I could hear Lola sucking away on Drake and the room smelt of musty sex. Drake had removed Lola's top and had begun sucking on her beautiful boobs. Her panties were on the floor now, Drake was working his way down on her. Baker took his dick out of my mouth and I moved over where I could kiss Lola as Drake licked her pussy. Baker positioned himself

behind me now, working the head of his cock in and out of my slobbering pussy. He was slowly working it deeper and deeper into me. I pushed my hips back onto his shaft taking every inch of him inside me. His cock was filling me and I came as he was balls deep in me, my pussy gripping his cock with each pulse of my orgasm. This was all he could take as I felt his cock pulse and then fill me with his hot cum. I must have moaned really loud, because Drake looked up from Lola's pussy to see what was going on. Baker's cock was deflating inside me, but I wanted more. I tried rocking my hips on it, to get him hard again, but he pulled out. It must have been one hell of a load he shot in me. I wondered how long he would be down, I was hot and need another cock.

A couple feet away I heard Lola telling Drake to fuck her and she pushed me onto my back so she could eat my dripping pussy. She buried her face there and Drake got behind her and began to thrust his cock in her pussy. Drake was really pounding away on Lola as

she was munching and nipping on my labia. I kept moaning knowing it would turn her on, and just as she was beginning to moan herself, Drake groaned and pumped his cum into her hole. Lola clearly had not gotten off and seemed a little disappointed, so I jumped right in and began eating her pussy, sucking Drake's cum right out of her. Lola and I were now in a sixty-nine position, enjoying each other as I came again on her mouth and face.

I looked over and saw the guys stroking their limp cocks trying to get them hard again. Feeling a little sorry for them, I motioned Drake to come over and I

took his semi-erect cock into my mouth and sucked him. Baker began eating Lola's swollen pussy. She was aching to get off and I still wanted more myself. I sucked Drake hard again, but just as he got nice and hard he shot his load in my mouth and went limp. Baker still hadn't returned his monster cock to full mast, so I decided to give him a blow job while he worked on Lola's pussy. Surprisingly, Baker responded quickly as his cock grew rock hard in just a few minutes after I started sucking it. I wasn't about to waste this erection by letting him cum in my mouth, so I took his place eating Lola and put my ass up in the air for him to fuck. He immediately got the message and slid his monster cock into my pussy.

Now, Lola was giving Drake a slippery handjob as I ate her pussy and her husband pounded away on me. Baker pumped me long and deep making me climax again, and just like last time, as soon as my pussy started gripping his cock he shot his load inside me. Lola came as soon as Baker filled me

with his cum. At this point we were all spent. We had been fucking for almost three full hours non-stop. We gals got up and excused ourselves for the bathroom, holding our pussies shut so cum wouldn't get all over the floor. Fortunately Lola's bathroom was large enough for both of us to clean up. Some twenty minutes later, we go back to the living room to find that Drake had left and Baker had gone to bed.

Lola and I went to the kitchen and poured ourselves some drinks. We discussed the convention we'd be at tomorrow and after an hour headed off to bed. We snuggled together leaving Baker on his side of the bed.

Sandy sometimes refers to herself as a “professional cocksucker.” Not because she gets rewarded for it, but because she is so good at it. When asked how many she has sucked, she hesitates for a moment and asks,

Sandy

“How many grains of sand at the beach?” We have never counted, but we think it’s more than one hundred.

Sandy says she started counting some twenty years ago, but couldn't remember her first ten plus years of having sex. So, guesstimating at one cock a week for – say, conservatively, thirty years – is, one thousand, carry the one, bring down the five, oh well, it's a lot of cock she's sucked.

I'll admit, there's still I want to learn about fucking in front of the camera. One of the hardest things is to just stop the fucking when the director yells "Cut!" I haven't learned to just turn it on and off when he says to. But that hasn't been a problem. I actually kinda enjoy turning on and turning off, then turning back on again.
